Want to learn how your mentoring or youth-service program can teach financial literacy? Mentors: Do you want to help your mentee learn how to spend and save money wisely?

On October 16, join VMP for a free panel presentation and Q&A on financial literacy resources for mentors, school staff, and youth-service organizations. Participants should gain greater awareness of the need for financial literacy and where to find free lesson plans, online activities appropriate for students K-12, and opportunities to have financial experts visit your program or classroom. Time for networking and light refreshments will be provided.

PANEL PRESENTERS INCLUDE:

**The Federal Reserve Bank of Richmond
Franklin Federal Savings Bank
Virginia Council on Economic Education
Virginia Bankers Association
Junior Achievement
Capital One**
