

Economian saves the country!

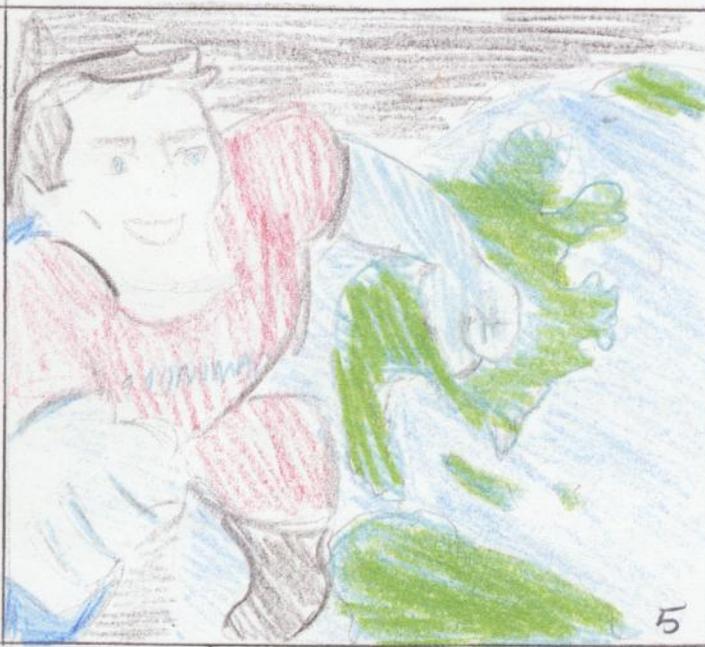

Make sure that you will be able to locate me at the gate tomorrow to verify that I'm your employer, or else they won't let you back in

Why are you taking all of the illegal immigrants out of the country, Economian? They're not hurting the economy. There is currently the highest GDP and highest total GDP per person, as well as highest number of Americans currently working

you are correct. But illegal immigration is a security issue. If the country has a terrorist attack, then the economy will be negatively affected. We must do all that we can to prevent a poor economy. The biometric ID check is going to be a huge success.

Don't fear! you will be returning shortly. Come with me
