

## Appendix: Update on Tariffs: Incorporating the April 2 Announcement

*Economic Brief No. 25-13, April 7, 2025*

The list of countries and their specific tariff announced on April 2 can be found in the first column. The second column has the share of imports from this country relative to all imports to the U.S. The last column is the most-favored-nation (MFN) rates, weighted by trade and adjusted by treaties already in place. (These are also referred to as AHS on the [World Integrated Trade Solution site](#).)
