The Federal Reserve Bank of Richmond

We're one of 12 independent Regional Banks working together with the Board of Governors to strengthen the economy and our communities.

We're more than just bankers!
More than 2,700 of us work in a variety of jobs. We're auditors, accountants, economists, IT professionals, law enforcement officers, currency processors and more. And, we're home to important Federal Reserve System functions, like National IT.

Our work impacts everyday people every day.

**Healthy Economy**
We help the economy by promoting stable prices, employment and moderate interest rates.

**Sound Financial System**
We review financial institutions to ensure safe and sound banking practices and we provide secure and efficient services to transfer funds through the financial system.

**Informed Community**
We connect with community and business leaders to better understand local economic conditions and to identify and address economic challenges and opportunities in low- and moderate-income communities.
We examine about 200 financial institutions every year to make sure our nation’s financial system is safe and sound.

We help make sure your online payments get where they need to go safely and reliably.

We hold conferences, meetings and community development events across our District to learn more about emerging issues and trends in our communities.

We don’t print money, but we distribute new bills and coins to financial institutions and remove worn, torn or counterfeit ones from circulation. Our Cash offices process about 3.4 billion pieces of currency a year.

We care about our communities. Each year, we volunteer more than 11,000 hours to help organizations across our District.

The Fed Experience, our interactive exhibit about the economy, has welcomed more than 44,000 visitors in Richmond.

• Our talented people serve the Fifth Federal Reserve District, including the District of Columbia, Maryland, North Carolina, South Carolina, Virginia, and most of West Virginia.

• We bring integrity and passion to our work, fostering a diverse and inclusive workplace that offers our employees opportunities to learn and grow.

• In addition to the Richmond, Va., headquarters, we have branch offices in Baltimore, Md. and Charlotte, N.C.
