To the FR Y-10 Reporting Contact:

The following report has been updated for the March 31, 2023, reporting date:

- (1) Report of Changes in Organizational Structure (FR Y-10)

FR Y-10

The FR Y-10 instructions have been updated this quarter to revise the definition of “control” in the Glossary section of the instructions. This change brings the FR Y-10 Glossary in line with the Board’s final rule on control¹ and provides clarity to respondents when determining what constitutes control.

Reports Submission

The FR Y-10 report can be submitted electronically via the FR Y-10 Online website, email or by mail. If you complete the preparation, editing, and review of your report(s) before the submission deadline, please file the report(s) immediately rather than waiting. If you later find certain information needs to be revised, please make the appropriate changes to your report, and promptly submit the revised data.

Respondents may subscribe to the Federal Reserve Board e-mail notification service to receive alerts regarding report form and instruction updates at: <http://www.federalreserve.gov/reportforms/whats-new.htm>. These updates include changes related to proposed new and existing data collections and final reporting forms and instructions.

All questions regarding this report should be directed to Joanne Mason, (Joanne.Mason@rich.frb.org); (804)697-8173.

Sincerely,

¹ 85 FR 12398 (March 2, 2020)
