An aerial photograph of the New York City skyline at sunset. The sky is filled with dramatic, dark clouds, with a bright orange and yellow glow from the setting sun breaking through. The city is densely packed with skyscrapers, many of which have their lights on, creating a warm, golden light. The Empire State Building is prominent in the center. In the background, the Hudson River and the East River are visible, along with the New York State Thruway. A semi-transparent blue rectangular box is overlaid on the left side of the image, containing white text.
