Your summer will not be complete without a visit to The Fed Experience. At our FREE Summer Camp Challenge, campers will experience fun and games as they use reasoning to solve puzzles, crack clues and answer riddles about resources, innovation, entrepreneurship and prices. Camps are held from 10-11:30 a.m. or 1:30-3 p.m., Monday-Friday, July 1 through August 8, 2013.

Beat the heat and have fun while learning. Engaging age-based activities and games will have your campers asking for more! Camps are scheduled according to students' rising grade level as follows:

- K-2 Productive Resources
- 3-5 Innovation Investigators
- 6-8 Fortune Hunters

Currently accepting reservations! Call to reserve your date today – (804) 697-8110.

*\*The Fed Experience will be closed on July 4.*
