Your summer will not be complete without a visit to The Fed Experience! Our annual FREE Summer Camp Challenge program is all about games. Campers will use deductive reasoning to solve puzzles, crack clues and answer riddles about resources, innovation, entrepreneurs and prices.

Camps are held from 10-11:30 a.m. or 1:30-3 p.m., Monday through Thursday from July 7 to August 7, 2014.

Beat the heat and have fun while learning at The Fed Experience. Engaging age-based activities and games will have your campers asking for more! Camps are scheduled according to students' rising grade levels as follows:

- K-2 Productive Resources
- 3-5 Innovation Investigators
- 6-8 Fortune Hunters

Currently accepting reservations! Call to reserve your date today – (804) 697-8110.
